## JOIN US FOR THE 6TH ANNUAL AC4C PREVENTION CONFERENCE

Thursday, November 7, 2024  
7:45am - 4:30pm  
Midwest Counterdrug Training Center  
Johnston, IA

### KEYNOTE SPEAKER

Melissa Moore has worked in Public Health for nearly 23 years, leading substance abuse prevention and coalition efforts in multiple diverse communities. Emphasizing the need to go beyond education to address the factors that contribute to substance abuse, Ms. Moore has helped lead assessment, planning, implementation and grant writing efforts to transform the way communities tackle this daunting burden. An expert in engagement and communication, Ms. Moore is always looking for opportunities to take great ideas and move them into tangible actions answering the age-old question...We recognize this is an issue, now what can we do about it?
